

UNIVERSITY OF PHOENIX STADIUM GAME DAY PARKING

FASTEST ARRIVAL:

Please place your parking permit on your rearview mirror with the color side of the permit facing out your front windshield. This will aid the Glendale Police and parking personnel in getting you to the proper area. The best and fastest route (located on the map provided on the back of the parking pass) to access Lot F from the Loop 101 is to:

- Take Camelback Road towards 91st Ave.
- Take 91st Ave north to the Green Entry (6250N).
- **Upon reaching the Green Entry, which is between Bethany Home Road and Maryland Ave, you will be directed into two westbound lanes to enter Lot F.**
- Upon reaching the parking attendants within the lot, please detach and give the bottom portion of your permit to the attendant.

Following these procedures will expedite your access to your lot significantly.

DISABLED PARKING:

Season ticket holders should contact the Cardinals Ticket Office at 602-379-0102 for more information on disabled parking. Since Lot F is a turf parking area, no disabled parking spaces are available. Disabled parking permits for Sportsman's Park have been issued in advance to season ticket holders that have provided a copy of their state-issued disabled hangtag or license plate. Signed handicapped parking spaces will be filled in a first-come, first-served manner. Additional overflow disabled parking spaces located adjacent to the signed spaces will also be available to assist disabled guests. Those season ticket holders wishing to park in a disabled area must contact the Cardinals Ticket Office in advance of the game day.

ONCE IN LOTS:

Please follow the guidelines:

- A parking permit is valid for one (1) parking space only. Vehicles pulling a trailer will not be allowed access at Sportsman's Park. Vehicles taking more than one parking space or parked incorrectly will be subject to tow. All fees associated with the removal and impounding of the vehicle will be the responsibility of the owner.
- All vehicles entering Sportsman's Park will be directed into a parking spot. Fans are asked to follow the direction of the parking staff to quickly park their vehicle.
- Fans that wish to park next to friends must arrive at the same time. Parking spots cannot be reserved or saved for fans arriving at a later time.
- Tailgating in the parking lots must be limited to the area directly behind the vehicle. Tailgating in empty stalls is prohibited. We encourage all fans to use the lawn areas.
- Fans will not be allowed to rope off or section off large tailgate areas. The Great Lawn is large enough for fans to spread out and enjoy themselves.
- Like season tickets, season parking permits can be revoked for non-compliance to Sportsman's Park guidelines.

GOING HOME:

All traffic exiting Carpark F will be directed northbound to 6250 N then east to 91st Ave. All traffic will then be directed South at 91st Ave.
